Easy TIGER!

Woman swims with 5 metre tiger shark

CAN you teach a shark tricks? We dunno, we never tried. When we go swimming in the sea we're too busy trying to stay NOT EATEN by our finny pals to train them to FETCH STICKS.

But Seppo marine biologist Ocean (were her parents cluey or what?) Ramsey reckons sharks are TOP BLOKES and shouldn't be hunted to extinction just because, y'know, they're man-eating cunts and that.

So she FROLICS with them in the ocean – where they LIVE – to show how cool they are and how we shouldn't be scared of them, even though, sorry to bring it up, *Jaws* parts I through 4, and that business with Mick Fanning in South Africa.

And if Ocean can convince everybody sharks are as cuddly as, say, funny looking fish, we may have a new movie franchise on our hands by next Xmas.

Finding Bitey? Yeah, we're really looking forward to that one. **Picture**

Rosie Jones' spectacular norks are world famous!

ONCE upon a time, Rosie Jones dreamt of being a school teacher.

But somewhere along the way her career path took a swerve to the left, and now she's an award-winning norks-out model, and – as voted by the readers of Nuts magazine two years in a row – the Sexiest Babe in the World.

So sorry kids, but Miss Jones won't be taking you for your geography lesson any time soon.

Suck it up. Education's loss is a NORK-FANCIER'S gain.

It's not the only staggering accomplishment of Rosie's young life either.

She also holds a Guinness World Record for the number of times she can put on and remove her bra in a minute, with a score of seven.

We're impressed. We could barely manage TWO.

FREE-RANGE
FUNBAGS

We asked her if she'll be having a crack at any more records soon.

"No, I'm happy with that for now."

Have you had a chance to tan the twins anywhere nice recently?

"Ibiza and Greece. I was very lucky this summer."

Any chance you'll bring 'em out to Oz any time soon?

"Nothing planned at the moment, but never say never. It's a very long way for to travel but don't worry, it's on the list."

We'll take that as a 'yes, can't wait.' Of course you'll be wanting to meet some suave Aussie blokes... erm, won't you Rosie?

"I haven't met enough Aussie guys to form an opinion, but boys are boys, right?"

Oh Rosie! For one who has achieved so much, you still have a lot to learn.

PITTSBURGH!

Nothing says casual Friday in Pittsburgh like a huge pair of knockers jumping out of a flimsy summer dress. Thank you, Saraya – now get down to the pub pronto!

HUNGARY!

Hungarian model Orsy is in the market for a husband. First she fell for the guy with the shovel – then she dumped him for a bloke with his own wheelbarrow!

NEW YORK!

Ever since the Free The Nipple movement took off there, New York's Central Park has been ground zero for free-range nork perving in the Big Apple.

STOP FUCKEN PRESS! STOP FUCKEN PRESS! STOP FUCKEN PRESS!

IBIZA!

It's hard to go anywhere on the Spanish holiday isle without stumbling across a naked Pommy model, in this case Daisy Watts.

LONDON!

For someone who earns a buck by posting selfies on Instagram like Erin Budina, lobbing a nipple out while waiting to get into a club is a great little earner.

RIO DE JANEIRO!

Super-duper model Gigi Hadid has someone to do her hair, someone to do her make-up and wardrobe, but no-one to ride shotgun on her norks, unfortunately.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

KISS MY ASSANGE!

PAM Anderson doesn't wanna root Julian Assange because he's too PALE. During her interview with *60 Minutes* she urged ScoMo to bring the Wikileaks founder home from his hiding place in the Ecuadorian embassy in London. Pam said she hadn't gone the tonk with Jules, but asked if she would, said "Who knows?" He's a little pale for me." We oughta buy Jules a sunlamp!

Who could resist that? Mucho sexy!

UP THE TAIL-PIPE

A DRUNK Seppo had to be tasered by cops to make him stop rooting the exhaust of a PARKED CAR. Incurable romantic Ryan Malek, 24, was four times the legal limit when police in Newton, Kansas, found him lying on the ground fucking the tailpipe of the UNNAMED car while being watched by six other THRILLSEEKERS. The cops told Malek to PULL OUT, but when when he refused to GET OFF AT REDFERN they zapped him. The crazed car-rooter was taken to hospital to sober up – and maybe get a dab of Dettol and a bandaid on his battered cock – then hit with a charge of "lewd and lascivious behaviour", to which he later pleaded guilty.

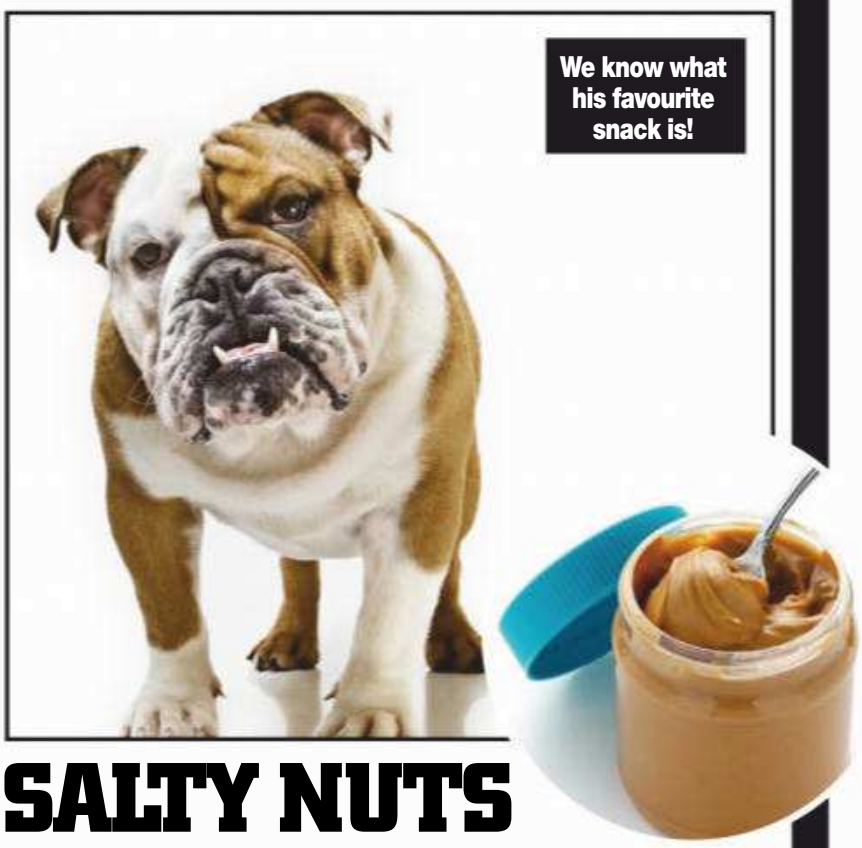
HOOOON!

GAZE upon it and crack A BIG STIFFY, readers. Unveiled at this year's SEMA show in Las Vegas, the Ford F-150 pick-up called Hoonitruck features a 3.5-litre twin-turbo V6 pumping out 682kW, a Sedev six-speed gearbox and 20-inch alloy wheels. Builder Ken Block, of the Hoonigan hot-rodding team, says, "I'm beyond pleased with how it turned out. It looks absolutely wild on camera, and that was our goal.

GIRL ROOTS GHOST IN PLANE LOO!

WHACKY Pommy chick Amethyst Realm reckons she joined the Mile High Club with a GHOST in an aeroplane dunny on a flight across the Atlantic. And now she's gunna MARRY the undead champion! It's usual form for the 30-year-old from Bristol, England, who claims she's rooted ghosts in the past. "We're soulmates, meant for each other, and that'll never change," she said of her new spook. "The fact that he's a spirit is by the by." And she even reckons they might have kids.

UTE BEWDY!



We know what his favourite snack is!

SALTY NUTS

A BLOKE who had his cock and balls bitten off and EATEN by a bulldog had smeared his wedding tackle with PEANUT BUTTER before the unfortunate incident. The 22-year-old Scottish man from East Lothan was found unconscious in a pool of blood and taken to hosptal, but the dog had already eaten the relevant bits so they could not be re-attached. Put that one down to experience!

Pick on someone your own size!

DUD BOXER BOPS TRAINER

Boxer Levan Shonia attacked his own trainer after the 12th loss of his so-far SHITHOUSE 27 fight career. The Georgian pug was beaten by opponent Spas Genov in Sofia, Bulgaria, and when the decision went against him, got stuck into his trainer. Trouble is, he couldn't even knock his own chubby, middle-aged cornerman down, so we can't see a world championship belt in his future any time soon.

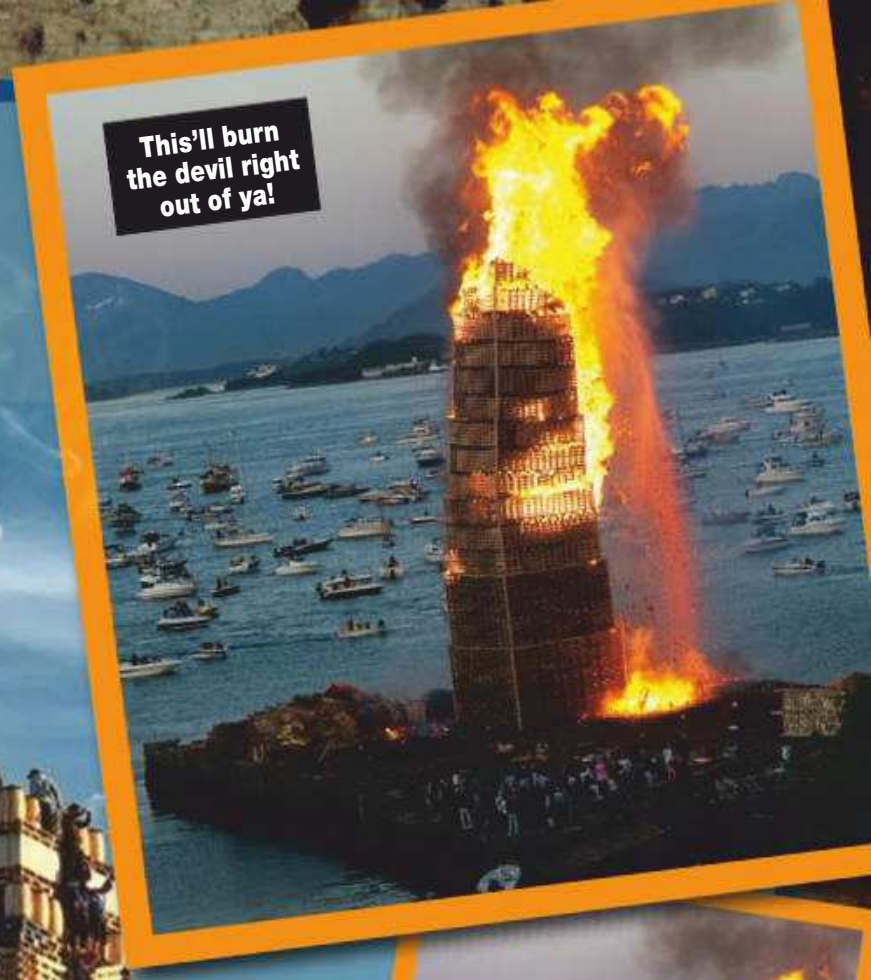
GOD'S BARBY!



Norwegians nuke tower to give the Lord a hard-on

THERE'S nothing the Absolute Ruler of the Universe loves more than a big fuck-off fire. On an island. In the middle of a Scandavian LAKE.

So every year on June 23 the citizens of Ålesund, Norway, crank up a gigantic MOTHERFUCKER of a conflagration to please His Holy Beautness.

Why? Well, there's a fucken good question, readers.

It might be Christian in origin, since it's said to celebrate the birth of John the Baptist. It might be pagan, since it's held on Midsummer's Eve, a traditional time for HEATHEN HOOTENANNIES.

It might have something to do with the growing congregation of winos at the Oslo branch of the Eternal Church of the Everlasting Goonbag – WE CAN'T SAY FOR SURE.

All we know is that every year the locals build this 47m high flammable tower out of old boxes and wooden pallets, then torch the fucker and watch it burn for a couple of days.

Maybe they pass a few doobies around or drink magic mushie reindeer piss to get the full religious effect.

Couple of chops wouldn't go astray, either. ■ Picture

The smart money is on the young fella Horn, with the bookies rating him a three-times better chance.

But wily old goat Mundine may have a trick or two up his sleeve, including remaining seated for the entire fight, blaming everyone else for copping one on the chin and throwing in some really shithouse rapping.

Either way, it beats watching our cricketers get clobbered, so we might as well get involved. Picture

SEX ON THE BEACH

12 shore things get sand on their glands

THE sun is out – and so are the tits! It's getting to that time of year when a trip to the beach is likely to result in a buggered neck from all that twisting back and forth.

So reinforce your Speedos and put on your darkest sunnies, 'cos judging by this array of behemothly be-titted beach babes, it's gunna be a hectic summer. Picture

MEL. D

If she sits here any longer, Pommy stunna Mel Debling will have to change her name to Sandy Cracken!

HOLLY

Now that Holly is one of the most famous Page 3 models in the world, she'll be able to afford a bikini top.

SOPHIE

It took Sophie here FOUR HOURS to get her boobs wet. Maybe next time she'll use a car wash.

MORE WET WHOPPERS!

KENDRA

This naturally blessed model is huge in Colombia. Let's face it, with tits like that she'd be big ANYWHERE.

LILY

There's a lot of interesting things to see at the beach, but nothing beats the sight of Russian model Lily.

INDIANA

The water must be fucking freezing because Indiana's nipples are ALMOST as erect as OUR COCKS.

SABRINA

Sabrina's tits clearly don't get much sun, but we'd still be happy to cover them in LOTION for her.

GRACE

We believe in miracles – Grace's bod can make the blind see, the lame walk and limp dicks get VERY HARD.

TITS AHOY!

EMILY

We're reliably informed that Emily has beautiful eyes, but we just can't get past those amazing FLOATATION DEVICES.

GEORGIA

If Georgia was the new lifeguard at our local beach we'd have to invest in some titanium Speedos.

DIVA

If you plan on visiting the beach this summer, please bring your bucket, spade and WANK SOCK.

KATE

Look what just washed up on the sand! These are the only WHITE POINTERS we want to see this summer!

NATU
WONDE

WE'RE currently waiting for the lazy bastards over at the Natural Wonders department to get off their FAT, FLABBY arses and hand over the award for 'Eighth Natural Wonder of the World' to Melony's MOUNTAINOUS MAMS.

The 23-year-old's TITANIC TITS, which are an impressive 36DD, shit all over the Great Barrier Reef, Mount Everest and especially the Grand Canyon. And doesn't she just know it.

"I adore my hot body," brags the Ukrainian bosom machine. "And I love to show it off in photos."

We agree, Melony. It sure beats watching the Aurora Borealis. ■ Picture

CKER!

WHAT is it about crocodiles? Why are these leathery bags of teeth and gristle so BELOVED that even when they chomp down Seppo tourists and casually SHIT OUT the remains on the riverbank, people still go: "Awwww... diddums!" and line up for a selfie.

Whatever it is, we're proud to say that Australia leads the way in CROC MANIA, so we're proud to bring you this review of the whacky doings of crocs here and overseas.

Biting, killing, swallowing ZEBRA HEADS whole, crocs are such FUN ANIMALS you'll want one of your very own! Picture

N.T.

In the Territory's Adelaide River, sharks are merely croc shit waiting to be processed.

N.T.

Tourists to the N.T. feel ripped off if they don't see a mud gecko. This bloke's getting his money's worth!

PHILLIPINES

Fuck pit bulls, crocs are great at home security. Just ask Lefty!

THE NILE

How many wildebeest can YOU eat at a sitting? This bloke's going for the record.

ZAMBIA

Can a croc actually eat an elephant? Dunno, but this champion's giving it a red-hot go.

YOU'RE JOKING

100% POLITICALLY INCORRECT!

A WHITE bloke went into a lift and was confronted by a huge black man who said, "Before you ask, I'm two metres tall, I weigh 140kg and I have a 30cm dick. Name's Turner Brown." The white bloke fainted right away. When he came to, he asked the black bloke to repeat himself. "Two metres tall, 140kg, 30cms, name's Turner Brown," said the black dude.

"Thank fuck for that!" said the white bloke. "I thought you said turn around!"

AN ELDERLY Aussie bloke arrived in Paris by plane.

At the French immigration desk, the man took a few minutes to locate his passport in his carry-on bag.

"You have been to France before, Monsieur?" the immigration officer asked sarcastically.

The elderly bloke admitted he had been to France previously.

"Then you should know well enough to have your passport ready."

The Aussie says, "The last time I was here, I didn't have to show it."

"This is impossible! Australians always have to show their passports on arrival in France!"

The old fella gave the French immigration officer a long, hard look, then he said, "Well, the last time I was here was when I came ashore on D-Day in June 1944, and then I couldn't find any fucking froggy cunt to show it to."

ON THE first day of spring, a young bear stumbled out of his cave and ran into his mother as she came out of the cave next door where she had spent the winter.

"Junior!" roared the mummy bear. "You look like a wreck – all skin and bones with big circles under your eyes! Did you hibernate all through the winter like I told you to?"

"Hibernate?" said the young bear. "Fucking hell, mum – I thought you said masturbate!"

"But it all went wrong," said Gary. "I went back in time and accidentally had sex with my own mother."

"That could happen to anyone," replied Tim. "But the thing is, you could be your own father."

"Not likely," explained Gary. "I only went back two days."

W.C., BACCHUS MARSH, VIC

SUPERMAN staggered into Metropolis airport and went up to the ticketing desk.

The priest replies, "Get out of there, ya prick! You're on my side!"

YOU'RE SO UGLY, WHEN YOU WERE BORN THE DOCTOR TOOK ONE LOOK AT YOU AND SLAPPED YOUR PARENTS

A bloke is driving along in his convertible with his girlfriend when he's pulled over by a highway patrol car. The cop approaches him and asks, "Have you been drinking, sir?" "No," replies the man. "Why do you ask? Was there something wrong with my driving?" "No," the cop says. You were driving fine. It was the fat, ugly chick in the passenger seat that made me suspicious.

YOU'RE SO UGLY, WHEN YOU THREW A BOOMERANG IT REFUSED TO COME BACK.

You're so ugly, you scared the crap out of the toilet.

YOU'RE SO UGLY, THAT YOUR BIRTH CERTIFICATE IS AN APOLOGY LETTER FROM THE CONDOM FACTORY.

You're so ugly, when your mom dropped you off at school she got a fine for littering.

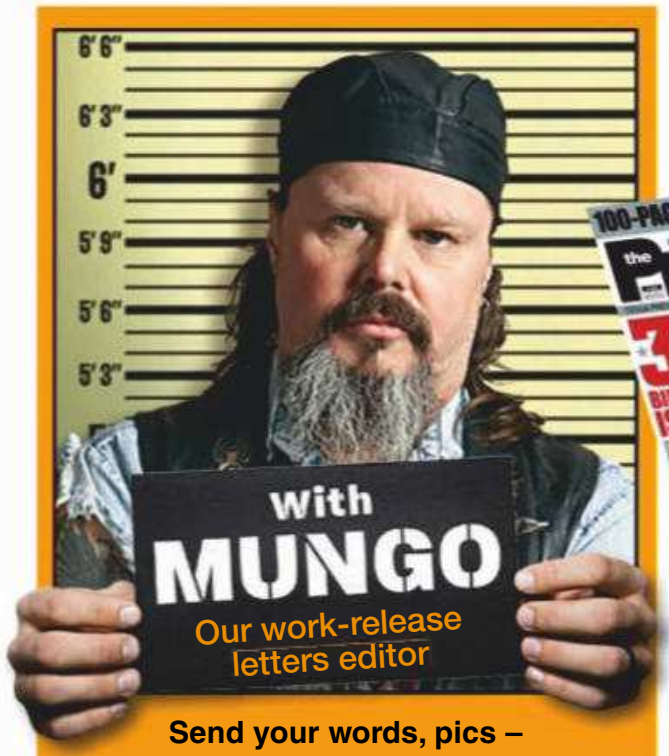
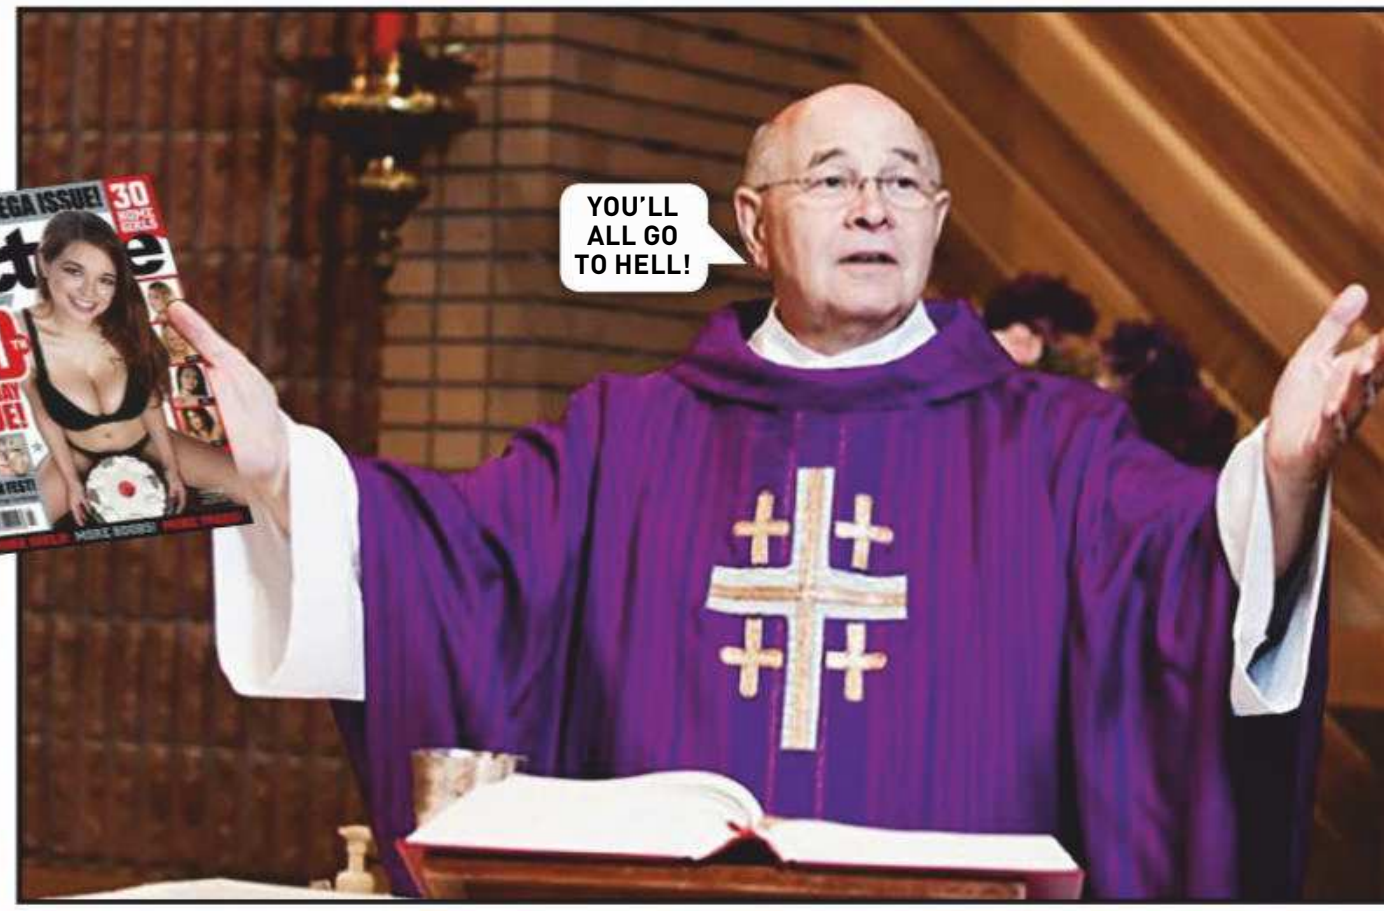
GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

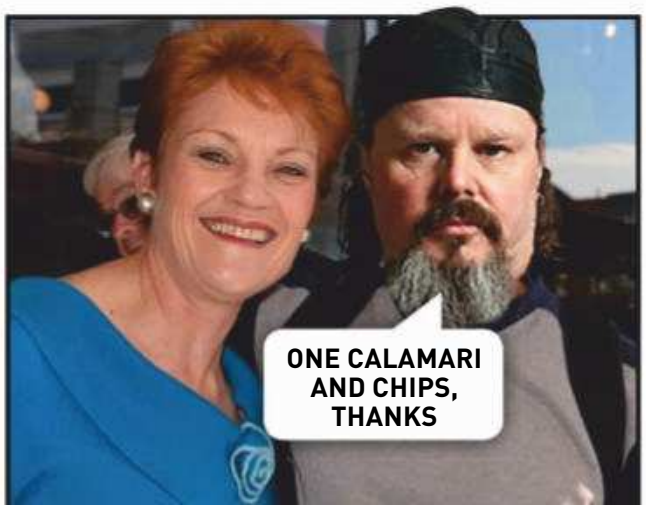


KEEN ON PAULINE?

HEY Mungo, everyone seems to have cosied up to Pauline Hanson at some stage in their career, most recently Mark Latham, but how about you? Ever had any secret meeting her?

L.J., AUBURN, NSW

MUNGO SAYS: I hear that when she ran her fish shop she used to sell shark as barramundi. You can't trust a person like that. And that carrot top of hers looks like it could be used to scrub back duco. Then there's the way she sounds like she's about to burst into tears at any second. I get enough women bawling in my presence. I don't need another one.



KEEP IT UP!

MUNGO, how is it that THE PICTURE is still published in this age of political correctness? Every day I see stuff on the news about people being sacked and sued over some little joke, so now everybody's afraid to say anything. Good on you blokes for keeping the laughs coming and not giving a shit what the PC brigade say.

N.L., BATEMAN'S BAY, NSW

MUNGO SAYS: Shhhh. Don't tell anybody. Our secret is we're very polite and always say please and thankyou before ripping someone a new arsehole in the magazine. Manners count, y'know But if we suddenly disappear one day, you'll know we've all been arrested and sent to one of those re-education camps like they've got in China.

OLD MATES CLUB

LOVELY to see porn legend and old favourite Jesse Jane remembering her old mates by chucking in her congrats for the 30th birthday issue. Plus, I loved the recap of the day she was there in your offices editing the mag. Of all THE PICTURE stories of the past, that's the one I remember best.

B.N., GOLD COAST, QLD

MUNGO SAYS: What can I say about Jesse that hasn't already been said? She will be forever in our hearts – and pants. The chair she sat in naked for one hot Sydney day is preserved in a climate controlled chamber to retain its musky historic value – that's how much we love her.

Productivity down, but stiffies up

LETTER OF THE WEEK
WINS $200

EVERY LETTER PRINTED WINS $50

LETTER WITH A PICTURE WINS $100

HOW IS THAT!

Hi Mungo. Just trying on my outfit. Do you think I will be too hot wearing this to the ODI cricket at Optus Stadium?

DIANNE, PERTH, WA

MUNGO SAYS: Babe, I think you'd be too hot for anywhere. Fucken scorching, in fact. If you wore that to an ice-hockey game you'd melt the ice. Cricket needs more supporters like you. Enough of the drunks wearing watermelons as hats. My over rate's picked up already.

LEAVE OUR PUSSIES ALONE

MUNGO, what's the go with you blokes at THE PICTURE always calling for chicks to grow their pubes back? You all must be really old 'cos most younger blokes are used to the no-pubes look and like it, at least the ones I meet do, especially when they see my shaven haven. As a young woman with a slick and hairless vagina, I love the way it feels and all of my female friends agree. I took a poll in the pub and they all swore they'd never grow a bush. So give it up, Mungo – the younger generation want their smoos slick and hairless.

M.K., INGHAM, QLD

MUNGO SAYS: As much as I'd be happy to discuss your vagina all day, M.K., I still think a springy mat of pubes to tickle my chin while I yodel up the valley is one of the great joys of life. The only drawback is the odd little bugger that gets stuck in the back of the throat. Like I said before, it doesn't have to be the full grizzly bear, but a little pants koala is always welcome.

MUNGO WANTS TO KNOW...

How is it that every kind of pie I want the pie shop's always out of, and I end up with a shit one with peas in it. Just make more of the good ones! Shit, it's not rocket science.

SICK PICS

YOU WON'T BELIEVE YOUR EYES

THIRST BUSTER!

YOU have to hand it to the Poms. Even in the midst of global financial collapse, the death of millions of frogs worldwide, and a fair chance the guttering is gunna rust out this summer, they can always come up with something to cheer us up. For instance, this little morale raiser is the world's biggest glass of beer. The 2,082 litre thirst-quencher of Stod Fold Gold – no doubt a FIRST CLASS drop – was poured at the Stod Fold brewery in Halifax, UK, on 6 July 2014, and as FAR AS WE FUCKEN KNOW remains the biggest glass of beer ever poured. We hope so. Hell, we've had some big beers in the past, but at 2.23m tall and 1.12m in diameter, this one's a beauty. You may need a mate to help you bring back four from the bar, but.

Tiny fellas kick up a storm at dwarf soccer tournament

THE first Copa America Talla Baja held in Buenos Aires, Argentina may not have got the coverage that the soccer World Cup did earlier this year, but at least they didn't have a bunch of wusses rolling on the ground clutching their ankles every couple of minutes.

The seven-a-side tournament is for height-challenged blokes – that's dwarfs – and aims to tackle discrimination and social prejudices.

Brazilian player Oromar Miranda reckoned it was a dream come true for him and his team mates.

"For years we never even dreamed we would be playing an official football match one day, so it is very important for us."

The games were played on indoor soccer pitches, with goals modified to be 1.7m high and 2m wide. **Picture**

WHO: Park ranger William Hofmeyr

WHAT: Arrow through the face

WHERE: Olarro Reserve, Kenya

OUCH FACTOR 82%

PARK ranger William Hofmeyr was settling in for a regular day at work of patrolling the Kenyan national park of Olarro, when he was the victim of what he believes to be an ASSASINATION ATTEMPT.

Billy was waking a sleeping Maasai warrior to warn him of a nearby pride of lions when an arrow THWACKED through the side of his face. Billy looked up just in time to see an archer lining up his second shot, so he ducked and dashed back to his Landcruiser, giving chase to the attacker through thick bush.

"I was in agony because one end of the arrow in my mouth was sticking out the window and it kept hitting against every bush I drove through," coughed the committed ranger.

After an unsuccessful hour-long chase, he decided he better turn around and head to hossie before his face began to LEAK LIKE A SIEVE.

"When I walked in, the doctors and nurses just had their mouths open. I don't think they had ever seen anyone walk in with an arrow through their mouth."

The question now is – WHODUNNIT?

"I have no doubt it was an assassination attempt," reckons Billy. "It is known that there is a contract out on my head and that of my deputy ranger."

Luckily it seems the contract was put out by someone who hasn't discovered the GUN yet. So come on, Billy, the only thing you're gunna struggle to do is eat your cornflakes without spilling your milk – GET UP YA SOOK! ■

Spencer Scott is back and hotter than ever

CREAM US UP, SCOTTY!

SHE'S blonde, she's hot, she's naked – so that covers your first three questions. But what else do you need to know about Spencer Scott?

Well, she appeared in Playboy in 2007, when she was just 18, and then dithered around for friggin' YEARS about whether or not she would do porn.

"I'd always wanted to do it and I thought about it forever. Then one day I just said 'You know what? Fuck it. I'm gonna do it'," the ex-high school cheer leaders says.

And fuck it she did! Starting in 2011, Spencer embarked on her highly successful porn career that powers on to this day.

Just with chicks, but. Spencer has about 50 lezzo classics on her CV, interspersed with the odd ARTY one where she just WANKS HERSELF SILLY, but no COCK ACTION.

Still, they're all very entertaining. And just a little bit educational.

Not that Spencer is averse to cock in her everyday life. She likes a good dicking as much as the next

"I WAS AT A SEX PARTY AND THEY ASKED ME IF I'D PERFORM"

SPENCER

“WE WERE GOING AT IT WHILE PEOPLE WERE WALKING PAST”

girl, as long as the next girl isn't Ruby Rose.

So it's not that she doesn't mind other people watching her root blokes, as she explained to an interviewer when asked about the most exciting times she'd ever done the old in-out.

"I was at a sex party and they asked me and the guy I was with if we wanted to perform for everyone," she recalled moistly.

"We were in the living room, all the doors were open, and we were going at it on the couch while people were walking past with their martinis. It was fun, though."

But to this day Spencer hasn't done the horizontal folk-dance with a fella on camera, despite the teary pleadings of her legions of fans.

Maybe one day. We'll see.

In the meantime, but, she contents herself with munching muffs, nuzzling nipples and tickling clits.

Ah well. It's a tough job, but somebody's gotta do it. ■ Picture

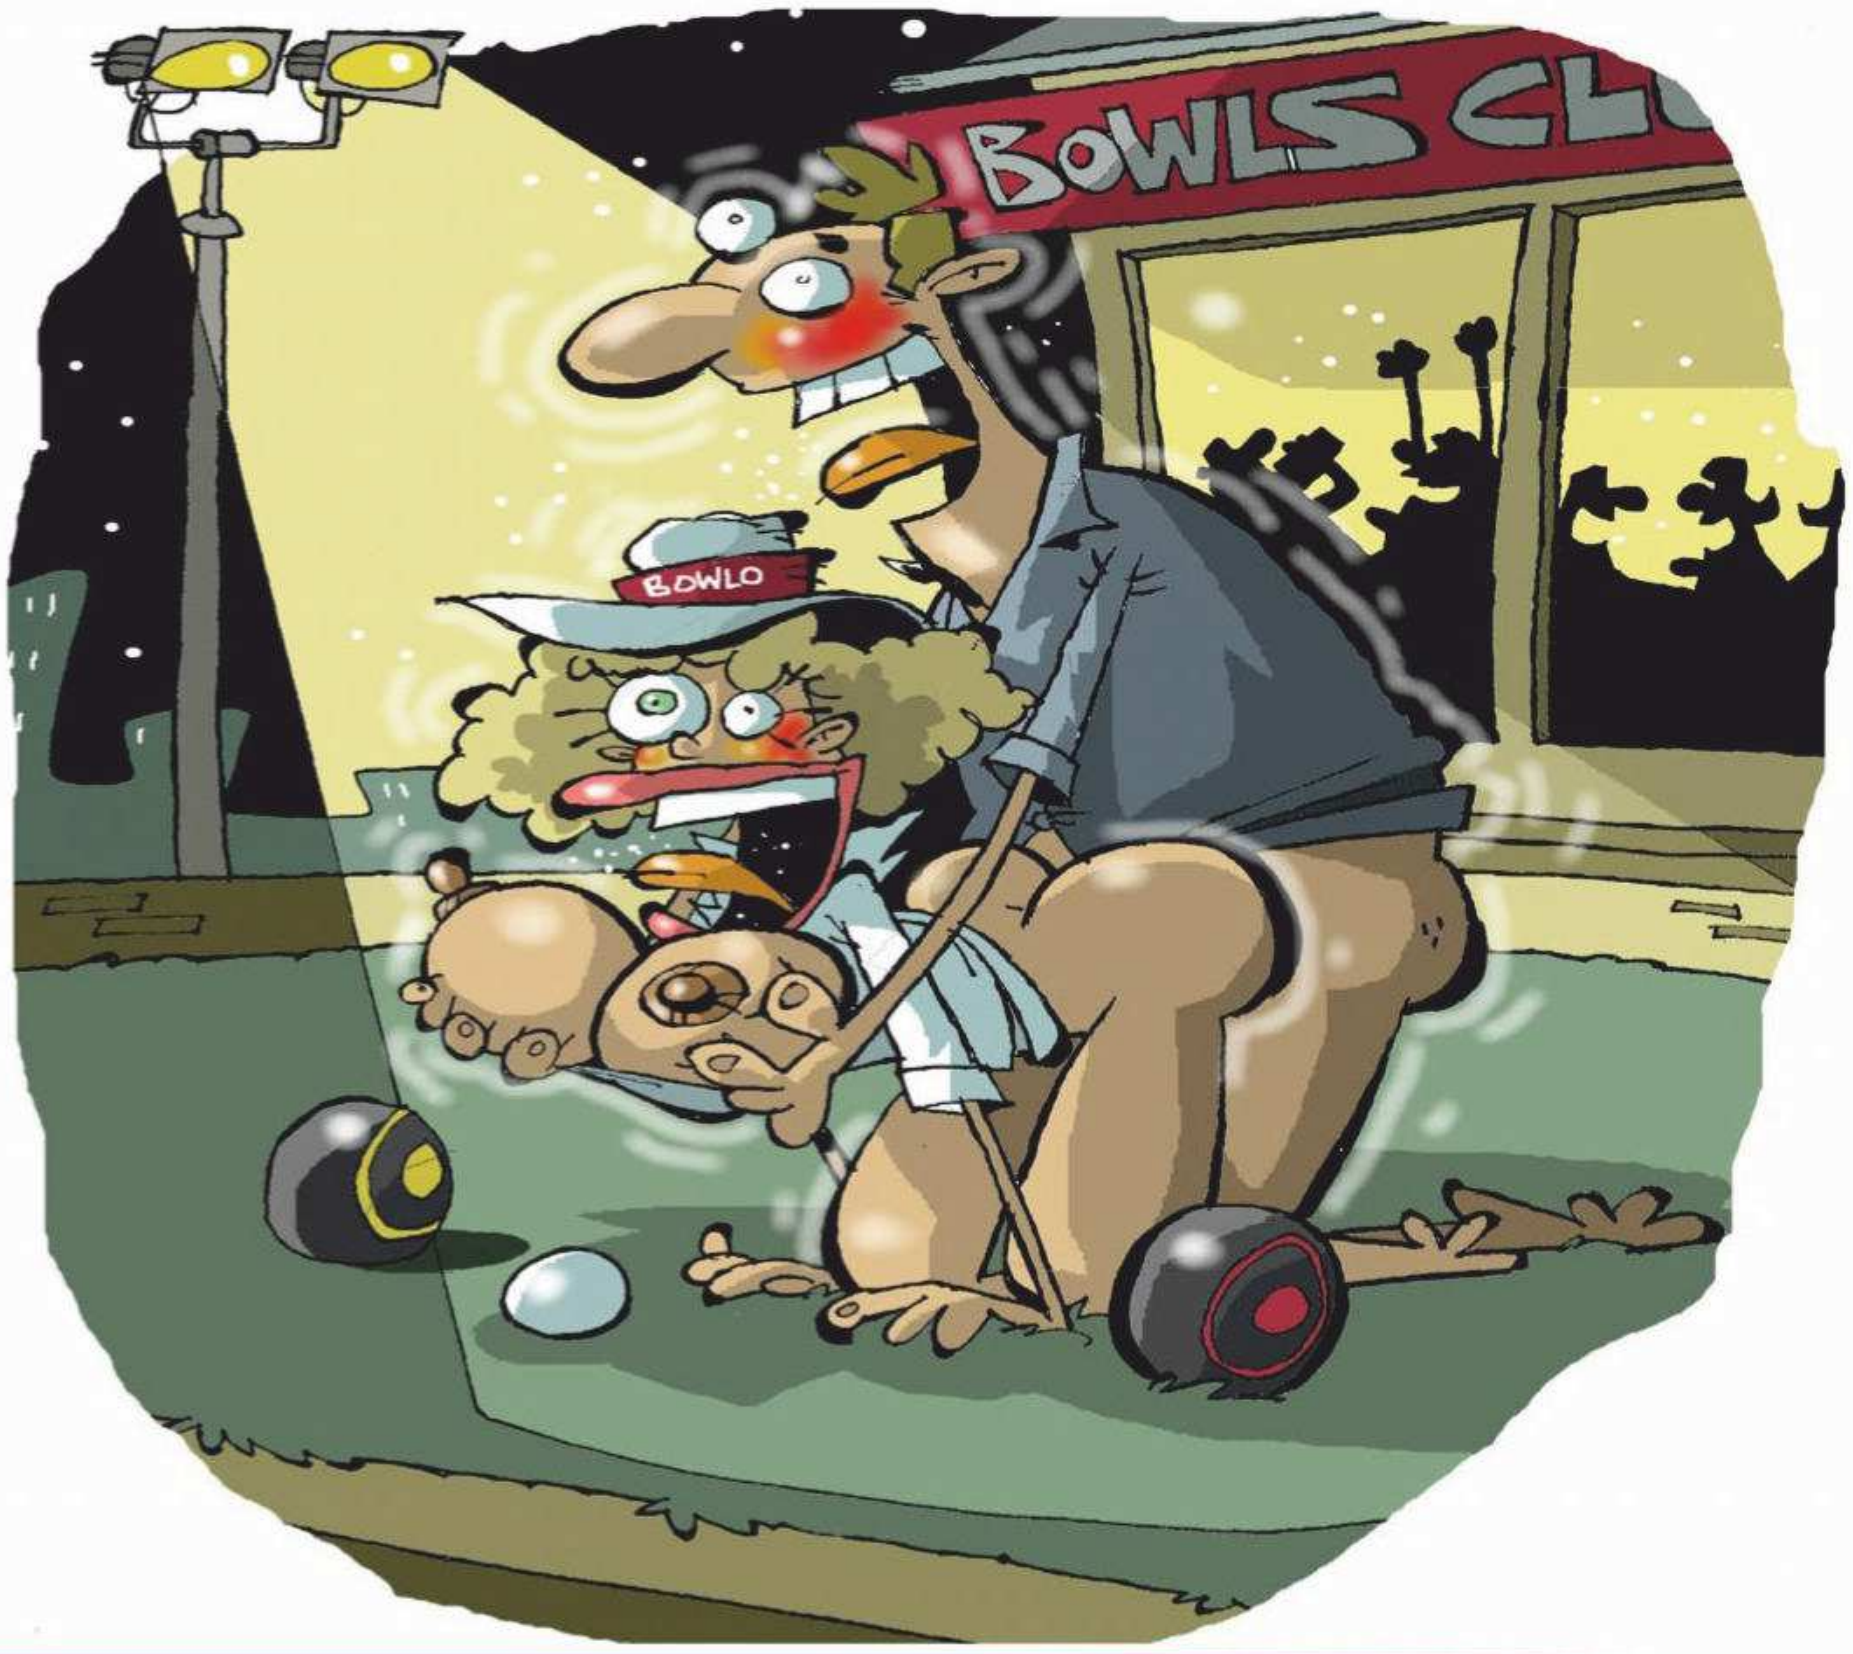
MY MILF FUCK

READER'S ROOTS FROM AROUND OZ



BOWLED OVER

I WAS a young bloke and had just moved to a country town where the number of hot young women were pretty much nil.

As soon as chicks left school and could afford the train fare, they buggered off, so the pickings were slim.

So apart from flogging my log to PICTURE mag there's wasn't much to look forward to, sex-wise.

My job was as assistant green-keeper at the local bowlo, but there wasn't too much on offer there until I was at a new lady members' arvo where they all got blind and tried to play bowls for the first time.

Judging by the looks I got when I drove the ride-on mower past them with my shirt off, a few of the new members were fanging for it, so I hung around the clubhouse as they got pissed and moved in to see what the chances were.

I made my selection – she was the hottest one there, and the youngest by about 10 years, and I could tell she was up for it when she kept grabbing my thigh and telling me my how great my tan was.

Then she asked me to take her on a personal tour of the greens. I was pretty confident, but I didn't expect her to reach down and grab me on the dick the second we were out of sight.

I pulled her tight-fitting designer bowling dress down and planted her arse on the grass and gave her my aching boner right there on the number one green.

Luckily the other chooks in the clubhouse were carrying on so much because my bowling babe started moaning and squealing as I gave her the treatment, then
I delivered her back to the clubhouse glassy-eyed and grinning.

Over the year I worked my way through quite a few of the spunkier bowling ladies.

I tell ya, the bowlo is the place to pull!

TEACH ME

EVERYONE told me as a 20-year-old woman I'd get a lot of sex at uni, but I never expected I'd be getting big chunk of it from my 40-year-old female professor.

I'd arrived all ready to bust away from my parents and start fucking boys all over the place, but most of them seemed to be into getting pissed and taking showers together after rugby, so I was down to my vibrator.

Then I walked into my first lecture and this cool looking woman was asking all of us who we were and what we expected from the course, and as soon as she turned to me I felt my pussy get wet and nipples go hard.

She gave me a sly look as I stammered out an answer and then as the class broke up I stayed back and chatted with her.

Turned out she was way cool, nice as pie and lezzo as fuck, so when she asked if I wanted to get a drink I went with the wetness in my pussy and said yeah.

We went to this cool inner city bar where all the customers seemed to be good-looking women getting off with each other, and after we'd had a few wines she leaned in and gave me a big tonguey.

I got wetter immediately and sucked face right back, then, without a word, she chucked some money on the bar and marched me out of there, into a cab and back to her place.

She didn't muck around – within a few minutes she was on her knees with her licking me out as I made big, wet stains all over her couch.

We 69ed, then she opened up her drawer of toys and we spent the night sticking big plazzo dicks up each other and sucking each other's clits.

She was my first lezzo MILF, but not my last.

CAREER OPPORTUNITY

YOU know what it's like when you have an attractive chick boss and you just have to keep your mind on work, but the more you try not to imagine fucking her, the more you do.

I had that problem, and I felt pretty bad about it too, because Mrs Standing was a terrific boss, and it was a great place to work.

But I still wanted to fuck her.

I started to hang around late just to be able to have a yack to her after work, and eventually I noticed she was checking me out too.

Her husband might have been a bit of a problem, if only he had the brains, but he was there pretty much only to pick her up after work and make sure the dogs were walked, because it was her company and her money.

So when she asked me out to dinner at a fancy restaurant, I wasn't too worried about him turning up and making a scene.

We sucked down a few dozen oysters and a couple of bottles of champagne and rocked back to the hotel she'd booked with a view of the harbour, and while I lay back and checked out the Harbour Bridge by moonlight, she knelt over me and sucked down my wang until my knob was tickling her tonsils.

Her deep-throating technique was incredible, and she knew exactly when to back off so I wouldn't blow too early.

After taking me to the edge a few times, she climbed on top of me and slid her muscular, hairy pussy down on my cock and started pumping like a champion.

She had absolute control, squeezing and teasing my cock with her cunt muscles, and when I finally did shoot my load she used them to drain every last drop of jizz out of me.

Then she gave me another stellar blowie as the sun came up over the harbour.

GRACE // 25

SUNSHINE COAST, QLD

"Being a stripper is the best work there is," says this work-proud 25-year-old. ***We reckon strippers are pretty beaut too. What's so fun about your job?*** "Well it doesn't feel like a job for a starter. I get to dance around on a stage with a bunch of my girlfriends while guys hand me money." ***Hmm, that does sound appealing. Are you an exhibitionist?*** "Definitely. I love having people watch me no matter what I'm doing." ***Does that mean you like an audience when you root?*** "I certainly do. And not only when I have sex, I've recently started web camming so I can have strangers watch me while I masturbate." ***Now there's something we'd gladly watch.***

WOULD YOU GO TO AN ORGY?

"Definitely. I went to one a year or so ago with a guy I was seeing, but am keen to go again."

$200 BEAUT BUM!

ABIGAIL // 20

Twenty-year-old Abigail reckons reverse cowgirl is the position of choice for her, "because I get to be in control". ***It's also the porn industry's favourite position. Ever filmed yourself doing it?*** "Yes. The guy wanted to record it, so we set up my iPhone on the bedside table on front camera then watched it when we were done." ***How would you rate your performance?*** "Eleven out of 10." ***That's a decent rating - what made it so good?*** "The passion." ***This is something we'd like to see. Reckon you could do porn professionally?*** "If I wanted to." ***Well, we want you to. What genre of porn do you like the most?*** "I like porn in public or group sex." ***Are they hobbies in real life?*** "No, unfortunately not." ***What gets you off about the idea of group sex?*** "I guess how kinky it is to me." ***Thanks for appearing in Home Girls, Abigail.***

WOULD YOU GO TO AN ORGY? "I would maybe consider going to one."

MYSTIQUE // 24

CLEARVIEW, SA

ISSUE 1462

I hope you get into porn. Who is your favourite porn star, what do you like about porn and how often do you masturbate watching it?
KIEL, BAROSSA VALLEY SA

MYSTIQUE SAYS: ***"Dani Daniels. I love watching two girls get each other off, but even more so I love teasing myself while watching a tight pussy get fucked by a long hard dick. I masturbate watching porn AT LEAST every second night; once I've come, I always have a better sleep."***

ANGEL // 24

ADELAIDE, SA

ISSUE 1466

Hi Angel, thanks for appearing. I like your arse and would love to be inside it. Do you like anal? Ever been double penetrated or even had all three holes filled at the one time?
SEB, ROTORUA NZ

ANGEL SAYS: ***"I love my arse pounded deep and hard. And yes I was filled up last night. And I was screaming for more. And I enjoyed every second and want to do it again. Maybe I will do it again tonight."***

"My partner and I have discussed doing a sex tape"

ABBY // 18

STRATHFIELD, NSW

Eighteen-year-old Abby can be forgiven for not recalling much of the Sydney Olympics – she was only just born. The first Home Girl born in a year starting with two goes off like a sprinter in front of the camera when her undies are off, though. "It's like I'm in a new body everybody wants to touch and look at. My partner and I have actually discussed doing a sex tape." ***Who gets to watch?*** "Anybody who's willing to watch my boyfriend give me a good fuck." ***And what would you call a good fuck?*** "When I'm moaning and yelling my partners' name, whilst being dominated and then dominating him and giving him more than he can take." ***You really need to send us this tape.*** "I'd be more than happy to."

WOULD YOU GO TO AN ORGY? "Going to an orgy wouldn't be out of the question; but participating in one would be."

"I like watching porn"

KIM // 21

PERTH, WA

Kim is a 21-year-old film buff, although it's doubtful any of her favourite flicks have won an Oscar. "I'm a huge fan of porn movies. I just love watching really dirty ones." ***How often do you do it?*** "A few times a week. Sometimes more." ***Do you watch them alone?*** "Usually alone, but sometimes with a male friend." ***Have you ever re-created a scene you like?*** "Yes. I once did it with three guys after a big night out. It was fun, but different to what I thought it'd be like." ***That must have kept you busy.*** "Yep. And I was a little drunk so it was a bit much. Next time I'd have just two guys. There's such a thing as too many dicks." ***We can believe that. Who's your favourite porn star?*** "Stoya. And I used to be a huge fan of Sasha Grey!"

WOULD YOU GO TO AN ORGY?

"Yes, for sure. I don't think they are usually planned, they just happen."

GISELLE // 21 & ABIGAIL // 20

Twenty-year-old Abigail and her mate Giselle, 21, are stoked summer is almost here – namely for the abundance of pool-side nudity on offer. **Abigail:** "It feels really natural." **Giselle:** "I get to tan everywhere." ***Just as long as you slip, slop, slap each other.*** **Giselle:** "Abigail loves it when I give her a thorough rubdown with suntan lotion." ***Would you save the best bits until last?*** **Giselle:** "Of course." **Abigail:** "Maybe I'd get too excited and go straight for the good bits." ***How else would you spend a nude day by the pool?*** **Giselle:** "We'd splash around in the pool, take pictures of each other, rub one another with lotion, give each other massages, and probably get a bit frisky."

WOULD YOU GO TO AN ORGY?

Giselle: "I've never been to an orgy, but if the opportunity arises then I'd definitely attend! Who doesn't love the idea of group sex?" **Abigail:** "I've never experienced one yet but it's definitely on the bucket list."

TINA // 21

MELBOURNE, VIC

Fuck horse riding, stamp collecting and doing crosswords – 21-year-old stripper Tina says her hobby is staying in bed all day. ***We hope you aren't doing that alone.*** "Of course. I always need a good man." ***What sort of blokes do you go for?*** "Rough and tough. They are the ones I usually end up with. I love ink too." ***Ever taken on more than one?*** "Yes. I had a threesome a few weeks ago. I'd love to include a girl in there next time." ***What do you love about stripping?*** "Just being nude in front of strangers. It's always a really fun night." ***Have you ever been picked up at work?*** "A couple of times, but I try to keep sex and work separate. Sometimes it's really hard, though." ***We'll add you to our Christmas card list.*** **WOULD YOU GO TO AN ORGY?** "I sure would."

"I love being fucked while a girl is sitting on my face"

CHANTEL // 27

PERTH, WA

Like Santa, we'll be spending some time over the holidays emptying sacks. And 27-year-old waitress Chantel is providing some inspiration for just that. "I enjoy being naked and expressing myself. I love it." ***Long may this form of expression continue. What sexy gifts are you hoping to get on Christmas morning?*** "I'm hoping to receive multiple toys and get tied to the bed." ***Just to the bed? Surely summer is about al fresco rooting.*** "Well, I'll do it basically anywhere. Bent over the car is always a good idea." ***The bonnet might be a bit hot. But not as hot as your tits.*** **WOULD YOU GO TO AN ORGY?** "I've not been to one, but I'd be happy to try. I've had a few threesomes. Two girls, one guy is my favourite. I love being fucked while a girl is sitting on my face and I'm smacking her arse."

FLASHBACK

MARCH 2012

DESTINY // 20

ADELAIDE HILLS, SA

Professional clothes removalist Destiny, 20, is after a marathon man, not a sprinter. ***What do you like in the scratcher?*** "A guy who gives a lot of attention; lots of kissing and a good amount of foreplay." ***A good amount? You mean more than five seconds?*** "Yeah." ***Six, then?*** "More like half an hour of it." ***That's nearly a whole half of footy. You like the gym. Should a bloke be buff?*** "Definitely. The musclier, the better." ***Played with anyone's muscle in any unusual spots?*** "I live on a farm, so out in the paddock and at the Royal Adelaide Show." ***Did you get a blue ribbon for your performance?*** "No, but I think I should have."

"I did it at the Royal Adelaide Show"

"We stopped and had a root in the back"

VENESSA // 22

GOLD COAST, QLD

Venessa reckons she's a bit of a practical joker, although her bloke probably has a more colourful term for the time she waxed his nuts while he was asleep. "He wasn't impressed," admits the 22-year-old beauty therapist. ***So, do you like a soak in the tub?*** "Yes." ***Get up to anything else in the bath?*** "Well, I do have a couple of waterproof vibrators." ***You'll probably need them until your bloke's scrote recovers. Any public rootage under your belt?*** "On a drive to Melbourne we stopped on the highway and had a root in the back seat." ***Did that break up the journey for any other drivers?*** "We got a few toots. The car must've been shaking." ***What about threesomes?*** "I did that when I was about 18." ***Not doing it again?*** "I dunno. Two drinks and who knows what happens?" ***The police. THAT'S who.***

LILLY // 27

JOONDALUP, WA

Lilly, 27, is going through a dry spell. "I'm in the process of changing jobs from pathology to pharmaceutical, so I've had no recent threesomes. No recent sex, to be honest. I just haven't had any real opportunities." ***And that's what's wrong with the world at the moment, when a woman like you, Lilly, can't find a root! Is self-loving filling the void?*** "To a point. But I went to a kink play party on the weekend and had a lively flogging on the cross. That has sated me for a bit, too." ***Do you flog or get flogged?*** "Got flogged. Was so nice. She was a sensualist so changed it up between hard and soft impacts and also just trailing it along my skin."

WOULD YOU GO TO AN ORGY?

"I've sort of been to one. It wasn't planned or anything; just kind of happened. I wouldn't actively seek one out, but it was interesting and if it happened again I wouldn't complain."

SIENNA // 20

Twenty-year-old festival worker Sienna is a big fan of the sensual strip. "A good strip tease is all about eye contact and keeping the significant other infatuated." ***Any tips to keep the infatuation going?*** "Keep it slow and sexy; the more aroused the more fun." ***Other than strip teasing, what other skills are there in your seductress arsenal?*** "The list is infinite." ***We've got time.*** "Some of my favourites are using my eyes to lure in the boys." ***Do you like working at festivals?*** "I love working at festivals mainly for the all the amazing people you come across, and the music of course. I also love the environment: it's fast paced and so much fun." ***If you're there Sienna, then it's gotta be fun.***

WOULD YOU GO TO AN ORGY? "Let's just say what happens at Burning Man stays at Burning Man. I am always up for putting some spice in my life."

He was so funny and we had great sex." ***What do you like about older blokes?*** "They usually have a job and know what they are doing. They are also better at sex and know how to please a woman." ***Tell us about your WORST root in Australia.*** "I met this guy in Perth who had a penis that was as big as my little finger. I didn't know what to do with it." ***But you shagged him anyway?*** "Yes, but I went home straight afterwards. A cock needs to be at least a few inches long." ***You've got a great thatch of pubes – are they back in style?*** "I hope so.
